

Basil

'Siam Queen'

GROWING REQUIREMENTS

Soil: Rich, well-drained

Water / Sun: Moist / Full sun

Other Notes: 1997 AAS Winner!
Very compact, 10-12 in. tall

PLANT DESCRIPTION

The purple stems, large dark green leaves, and pink-violet flowers make for a lovely basil with a tangy flavor plus a spicy hint of licorice. Very fragrant and distinct improvement over other Thai Basils. Pick the leaves and use fresh or dried in tomato dishes, pasta sauces, vegetables and soups.

Excellent for bedding edging and the vegetable or flower garden. Great for containers.
