

# Chives

## GROWING REQUIREMENTS

---

**Soil:** Good, fertile

---

**Water:** Regular

---

**Sun:** Full sun

---

**Other Notes:** Perennial. 8 in. high

---

## PLANT DESCRIPTION

---

Onion-like flavor comes from the tops which are generally chopped finely. Used in sour cream, cream cheese, soups, and a great variety of other dishes. The light lavender flowers can be added to your favorite salad too, just break the head apart.
