

# **Rosa Bianca Eggplant**

## **GROWING REQUIREMENTS**

---

**Days to Harvest: 84 days**

---

**Soil: Fertile, pH 5.5 - 6.8**

---

**Water: Keep soil moist**

---

**Sun: Full sun**

---

## **PLANT DESCRIPTION**

---

**A chef's favorite from Italy prized for its creamy, delicate, bitter-free flavor and meaty texture. Teardrop-shaped fruits measure 4 to 6-in. across with a creamy white base and pinkish-purple irregular stripes streaming from the top. High yields mean plenty of fruits to stuff, slice, sauté or grill.**
