

# Plant-a-Tree

Sponsored by **The Forest Council of Turtle Bay**  
and **Western Shasta Resources Conservation District**

The **Plant-a-Tree** program was begun by the Forest Council of Turtle Bay to help restore native forest destroyed in the 1992 Fountain Fire. Today, Turtle Bay Exploration Park and the Western Shasta Resources Conservation District are joining together to lend Mother Nature a hand to restore native forest and riparian habitats on both public and private lands throughout Western Shasta County.

The **Plant-A-Tree** program has restored and enhanced Northern California with over 100,000 native trees and plants. We are honored that you and those dear to you are a part of this legacy. Whether dedicating one tree or a grove of thirty, this living gift is a true honor and tribute to friends and family.

## Send your Plant-a-Tree order to:

Turtle Bay Exploration Park  
1335 Arboretum Drive, Suite A  
Redding, California 96003

## For more information:
